IN THE NAME OF THE BENEFICENT THE MERCIFUL

The Islamic Development Bank put forward the idea of establishing financial accounting standards for the Islamic Banks in the meeting held in Istanbul in 1407H. The idea was welcomed by all Islamic Banks. Since then the work has proceeded actively in developing this concept through the activities of the Steering Committee, the Follow-up Committee then the Preparatory Committee. A number of specialized brothers interested in establishing financial accounting standards for Islamic Banks participated in the work of these committees. The successive committees, during their various work stages followed a scientific approach depending on research and investigation. The Committee also sought the services of experts specialized in this field, prepared studies and reports and organized workshops for discussion and exchanging views. persistant effort aimed at building up an important part in the structure of Islamic banking resulting in the establishment of the Financial accounting Organization for Islamic Banks and Financial Institutions.

Through the persistent and continuous efforts of the various committees a good lot of reports and researches were compiled covering all relevant aspects. Those who dedicated their time and effort to this concept believe that it is important to continue the study and research to develop all the matters related to the financial accounting standards for Islamic Banks, so it has been agreed to entrust these researches and reports to those who are specialized, interested and the researchers whether in the Islamic Banks, universities and institutes or elsewhere. The researches and reports were compiled in five volumes copies of which will be lodged in the Islamic Development Bank library to be available to those who are interested in reviewing them. The first volume covers the period from March 1987 to September The second volume covers the period from September 1987 to March 1988. The third volume covers the period from The fourth March 1988 to March 1989. volume covers the period from March 1989 to October 1989. the fifth volume covers the work of the Executive Committee of the Supervisory Committee for the period from October 1989 to January 1990.
